ENSURE A BRIGHTER FUTURE

Child Care Center

Full and part-time child care services
for ages 6 weeks to 6 years

YMCA AT PABST FARMS

1750 E. Valley Road, Oconomowoc, WI 53066
(262) 567-9622 • www.glcymca.org

PROGRAM DESCRIPTIONS

Our Child Care Center is dedicated to providing an environment of trust, caring, learning, comfort and safety. Families trust us to give their children the same things the Y has been providing for years — the opportunity to develop a healthy spirit, mind and body.

Professional Staff

All Y teaching staff are trained in Early Childhood Development. With the best facilities, materials and Creative Curriculum, Y teachers provide an effective social and education program.

Benefits (our rates are all-inclusive)

- Swimming for ages 3-6 two days per week
- Lunch daily for ages 1-6
- Spanish for ages 4-6
- Playtime in Kid's Gym and Prime Time
- Phy Ed for ages 2-6 one day a week
- Swim lessons and movement programs offered within school day. Swim lessons are now included with tuition for children ages 3-6!
- Weekly Religion class

Classroom Availability

Upon returning an interest form to the center, your name will be put on a wait list. During transition times and when we have an opening, families on the wait list will receive an e-mail with current classroom vacancies. E-mails will be sent based on the date the interest form was received. Please be sure to call if you are not receiving e-mails. It is the applicant's responsibility to ensure all personal contact data (i.e. e-mail address and phone number) are current. When space becomes available, classroom vacancies are filled in the following order of priority:

1. YMCA at Pabst Farms employees.
2. Any child currently in the center has priority to move into an older classroom based on birth date and space availability.
3. Any sibling of a child(ren) currently enrolled.
4. The first full-time child added to the waiting list based on the date the waiting list registration form was received.
5. The first part-time child added to the waiting list based on the date the waiting list registration form was received.

Infants and Toddlers

(Ages: 6 weeks to 2 years)

Babies love our bright, safe, stimulating atmosphere. Staff with specialized training in early brain development provide a warm nurturing environment. Your infant will receive special attention that builds affection and trust. A wide variety of age-appropriate activities help your baby develop skills and provide you with peace of mind when you're away.

Transitional Twos

(Ages: 2 to 3)

Our transitional program provides experiences two-year-olds thrive on: taking apart and putting together; mixing and matching; filling and emptying; sorting and building. The Two's program also emphasizes play to promote coordination and strength in growing bodies. Our staff will provide the praise and attention your child needs to develop a positive sense of self in these early years.

3K

(Age: 3 years)

Our 3-year-old program provides children with developmentally appropriate activities and experiences. Guidance in social behavior and language development are our main focuses. Semi-structured interaction with children is encouraged in free play as well as creative and sensory activities. We follow a development-based curriculum, designed to balance your child's education and social skills.

4K

(Ages: 3 ½ to 6 years)

(Summer offers only full-day options for 4K.)

Our full and partial-day 4K program provides enrichment activities with the guidance of a curriculum. YMCA 4K encourages children to be creative, whether they are playing a musical instrument, singing songs, or planting seeds to watch them grow. While teaching daily lessons, our teachers ensure children the opportunity to make new friends and develop self-confidence in a team-oriented atmosphere. This program provides a well-rounded experience for your children to grow developmentally, physically, emotionally and socially.
